PSYCHOLOGY LABS

Robert Dvorak Lab

May 2015 – Present

- Help overseeing research assistants and coordinating the lab's schedule and finances
- Assist in running participants and training undergraduate research assistants on current studies
- Learning Stata and MPlus to analyze and code data, developing programming and statistical skills

Katie Gordon Lab

Aug. 2013 – Dec. 2014

- Assisted in designing studies, proofreading scales in studies, conducting studies with participants, preparing the lab for participants, and programming studies on MatLab and NDSU Sona System

Clay Routledge Lab

Aug. 2012 – Dec. 2014

- Assisted in conducting studies with participants, preparing the lab for participants, programming studies on MatLab, and analyzing and entering data

Erin Conwell Lab

June 2013 – Aug. 2014

- Assisted in analyzing data from spoken language between mothers and their children
- Became experienced with Audacity in order to clip spoken language segments

TEACHING ASSISTANT EXPERIENCE

UCF Fall 2016

- Taught a lab section for Dr. Janowsky's Statistical Methods in Psychology. My duties included supplemental instruction on statistics covered in the lecture portion of the class, helping students with lab content, grading assignments, administering quizzes, and instruction on using SPSS.

UCF Spring 2017

- TA for Dr. Dunn's online course Psychological Aspects of Drug Use. My primary duties were helping field students' questions and grading written assignments.
- TA for Ms. Kitsmiller's Psychological Aspects of Drug Use. My primary duties were helping grade and answering students' questions.

UCF Summer 2018

- TA for Dr. White's Legal Psychology course. My duties included helping grading term papers with detailed feedback throughout.
- TA for Ms. Cunningham's Clinical Psychology course. My duties involved helping grade papers on both content and APA style.

UCF Fall 2017

- TA for Dr. Negy's General Psychology course, in which I helped grade and proctor exams.
- TA for Dr. Wright's General Psychology course, in which I helped set up online quizzes and answered students' questions.

UCF Spring 2018

- TA for Dr. Dvorak's online course Psychological Aspects of Drug Use and for his online General Psychology course. For both courses, my duties involved updating online content and answering students' questions on the material.

UCF Summer 2018

- TA for Dr. Fouty's online course Behavioral Self Control and for his online course Physiological Psychology. For both courses, my duties involved

grading students' weekly written work (and final paper for Behavioral Self Control), providing feedback on APA style and content.
