4111 PICTOR LANE, ORLANDO, FL | MOBILE: (954)-560-1654 | EMAIL: ANGELINA.LEARY@UCF.EDU | PRONOUNS: SHE/HER/THEY

EDUCATION

Doctor of Philosophy, Clinical Psychology: Expected Graduation August 2026

University of Central Florida, Orlando, FL

GPA: 3.99

Dissertation Title: "Identity (Change) is Not a Joke, Jim!": The Role of Change in Responsible Drinking Identity as a Mechanism of Behavioral Change in College Alcohol Interventions

Major Advisor: Robert Dvorak, PhD, ABPP

Master of Science, Clinical Psychology: December 2021

University of Central Florida, Orlando, FL

GPA: 4.00

Thesis Title: "I Drink (Responsibly), Therefore, I Am": Development of the Personal Assessment of Responsible Drinking Identity (PARDI)

Major Advisor: Robert Dvorak, PhD, ABPP

Bachelor of Science, Psychology, *Summa Cum Laude*: May 2019

University of Central Florida, Orlando, FL

Minor in Statistics

Honors project: A Deviance Regulation Theory Intervention to Reduce Alcohol Problems Among First-Year College Students

Major Advisor: Robert Dvorak, PhD, ABPP

FELLOWSHIPS & AWARDS

Graduate Research Fellow (GRFP).....2020-2025
National Science Foundation (NSF)

Undergraduate Diversity Award.....2019
Research Society on Alcoholism (RSA)

Resident Assistant of the Year- Nominated.....2018
Housing and Residence Life, University of Central Florida, Orlando, Florida

CLINICAL EXPERIENCES

Clinic Assistant.....August 2024- December 2024

Supervisors: Laurie Kemper, PhD & Amie Newins, PhD

Psychology Training Clinic, University of Central Florida

- Conduct telephone screenings, such as screening reasons for seeking treatment, suicidality, and psychosis to determine eligibility for services provided by clinical psychology PhD trainees. Aid and provided mentorship for graduate student trainees in providing therapeutic services, including intervention and assessment.

(Continued)

Multiple Sclerosis Clinical Psychology Mentee..... June 2024

Sponsored by the National Multiple Sclerosis Society

Kessler Foundation, West Orange and East Hanover, NJ

Mentored by Drs. John DeLuca, PhD and Lauren Strober, PhD

Holy Name Medical Center, Teaneck NJ

Mentored by Drs. John Fechter, PsyD and Jeffrey Portnoy, Ph.D.

- Received specialized training and observed professionals and scholars, including neuropsychologists and neurologists in inpatient and outpatient settings, working with multiple sclerosis (MS) populations regarding diagnosis and comprehensive management of MS, focusing on neurocognitive, mood, and other psychosocial issues associated with multiple sclerosis.

Research Clinician.....August 2022- May 2024

Supervisor: Robert Dvorak, PhD, ABPP

University of Central Florida, Orlando, FL

- Administered structured clinical interviews and conducted assessments of substance use, psychosis mood disorders, and eating disorders in college students and national adult populations. Provided brief interventions, including personalized normative feedback interventions (i.e., BASICS) and deviance regulation theory (DRT) interventions to facilitate behavioral change in responsible drinking habits (NIH Clinical Trial #1R15AA026420-01A1)

Neuropsychology Clinical Extern.....August 2023- May 2024

Supervisor: Maria Coiro, PhD

Neuropsychology Group Practice, Orlando Health, Orlando, FL

- Assessed patients in an outpatient setting for cognitive and neurological functioning and readiness for surgery (i.e., spinal stimulation, bariatric, etc.) evaluations. Patients had variety of neurological/medical diagnoses, including multiple sclerosis, chronic pain, cancer, obesity, Parkinson’s disease, Alzheimer’s disease, dementias, depression, and similar.

Psychoncology Clinical Extern.....August 2023- May 2024

Supervisors: Maria Coiro, PhD & Abeela Haq, LCSW

Integrative Medicine, Cancer Support Community, Orlando Health, Orlando, FL

- Assessed patients in an outpatient setting for emotional functioning regarding newly diagnosed, currently in treatment, and post-treatment patients with cancer. Implemented short-term and long-term treatment for patients with various comorbid conditions including anxiety, depression, insomnia, adjustment, and pain management in conjunction with a cancer diagnosis.

Rehabilitation Psychology Clinical Extern.....August 2022- August 2023

Supervisor: Sean Coad, PsyD

Advanced Rehabilitation Institute, Orlando Health, Orlando, FL

- Assessed patients in an inpatient hospital for neurocognitive and mental health functioning. Patients had a variety of neurological/medical diagnoses, including traumatic brain injury, spinal cord injury, disorders of consciousness, multiple sclerosis, amputations, brain tumors, spinal tumors, etc. Implemented short-term treatment for patients with various conditions, including acute stress disorder, anxiety, depression, and pain management.

Graduate Student Clinician

UCF Psychology Clinical Practicum, University of Central Florida, Orlando, FL

Supervisor: Kimberly Kent, PhD..... Spring 2022, Summer 2022

- Treated community members for the treatment of anxiety, depression, borderline personality disorder, and ADHD. Administered and scored neuropsychological assessments batteries. Treatment protocols used: Dialectical Behavioral Therapy-informed, Acceptance and Commitment Therapy, Cognitive Behavioral Therapy. Used Titanium software system to write intake, progress, phone, and discharge notes as well as to chart review patients. Conducted therapies in a virtual format (i.e., telehealth) due to COVID-19

Supervisor: David Rozek, PhD.....Fall 2021

- Treated community members using advanced protocols of cognitive behavioral therapy.

Supervisor: Vikki Gaskin-Butler, MDiv, PhD.....Summer 2021

- Treated community members for the treatment of anxiety, depression, borderline personality disorder, and ADHD.

Supervisor: Michael Dunn, PhD.....Spring 2021

- Treated college students for anxiety, adjustment disorder, and depression

Supervisor: Vikki Gaskin-Butler, MDiv, PhD.....Fall 2020

- Developed video clips on psychoeducation on stress and coping skills for community members during the COVID-19 pandemic. Treated community members with anxiety disorders using a CBT framework

CURRENT RESEARCH POSITIONS

Graduate Research Assistant.....2019- Present

REALE-Time Lab (Risk, Eating, & Addiction Longitudinally Examined Through in Situ Momentary Experiences)

Advisor: Dr. Robert Dvorak

- Research focuses: Brief interventions targeted towards behavior change as well as identity changes associated with these interventions

Statistics and Methods Consultant.....July 2024- Present

The Obesity Society (TOS) and Novo Nordisk Inc.

PIs: Drs. Magdalena Pasarica M.D., Ph.D. and Robert F. Kushner, MD

- Project: “Refining and Testing the “FORWARD” Obesity Curriculum Project in a QI Initiative in US Medical Schools”
- Serves as a statistical and research consultant for the project which assesses the perceived effectiveness of a program to improve obesity education in US medical schools to assess changes in attitudes, stigmas, knowledge, and medical competencies in the medical conceptualization of patients

- Leary A. V., & Dvorak, R. D.** (February 2018). *Testing a Deviance Regulation Theory Intervention in College Freshmen Drinkers*. Florida Undergraduate Research Conference (FURC). Melbourne, Florida.
- Leary A. V.** (December 2017). *The Bias Bias: An Insightful Look into Cognitive Biases and How to Overcome Them*. University of Central Florida's Department of Housing and Resident Life's (DHRL) Returning Staff Conference. Orlando, Florida.

COURSE INSTRUCTION

- CLP 3441- Psychobiological Aspect of Drug Use.....Spring 2025, Spring 2024 and Spring 2023
University of Central Florida, Orlando, FL
- Designed and instructed 3-credit course psychology undergraduates ($n = 100$ students)
 - Engaged in active learning by facilitating class discussions and activities about various topics about substance use, administration, treatment, presentation/intervention, and social implications.
 - Invited guest speakers from within the substance use field to further educate students with real-life experiences
 - Promoted flexibility for students by offering in-person and Zoom class options
 - Incorporated assignments and grading on Canvas Webcourses platform.
- CLP 4314- Health Psychology.....Fall 2023 and Fall 2022
University of Central Florida, Orlando, FL
- Designed and instructed 3-credit course for cross-disciplined undergraduates (i.e., psychology, nursing, pre-medical, health sciences, human resources, etc., $n = 75$ students).
 - Engaged active learning by facilitating class discussions and activities about various topics in health psychology
 - Invited guest speakers from within the health psychology field to further educate students with real-life experiences

- Students had a semester-long project that included changing an aspect of their own health behavior using principles and theories discussed in class
- Promoted flexibility for students by offering in-person and Zoom class options
- Incorporated assignments and grading on Canvas Webcourses platform.

PSY 3213C- Research Methods in PsychologySpring 2022
University of Central Florida, Orlando, FL

- Designed and instructed 4-credit course for undergraduates with three laboratory sections ($n = 120$ students)
- Managed and guided three graduate teaching assistants in their roles as laboratory instructors
- Engaged active learning by facilitating class discussions about various topics in research methods psychology
- Promoted flexibility with students by offering in-person and Zoom class options
- Incorporated assignments and grading on Canvas Webcourses platform.

CLP4390-Forensic PsychologyFall 2021
University of Central Florida, Orlando, FL

- Independently designs and instructed 3-credit course for undergraduates ($n = 69$ students)
- Engaged active learning by facilitating class discussions about various topics in forensic psychology
- Incorporated assignments and grading on Canvas Webcourses platform.
- Invited guest speakers from within the forensic psychology field to further educate students with real-life experiences
- Promoted flexibility with students by offering in-person and Zoom class options
- Awarded Affordability Counts medallion for affordable course materials to reinforce accessibility of education

INVITED PRESENTATIONS

Psychotherapy for the Neuro/Rehab PopulationsSummer 2024
Orlando Health Rehab Lecture Series- Invited Speaker

Invited by Sarah Whyte, M.S., CCC-SLP, ATP CBIS, Speech-Language Pathologist

- Discussed psychotherapies in an inpatient rehabilitation setting in an interactive presentation with non-psychologist medical professionals (i.e., Physical Therapists, Occupational Therapists, Speech Therapists, Psychiatrists)

NSF GRFP DiscussionSummer 2021, Summer 2022, Summer 2024
NSF Computer Vision REU

Invited by Mubarak Shah, PhD, UCF Board of Trustees Chair Professor

- Engaged undergraduate students and prepare students to successfully apply for the NSF Graduate Research Fellowship Program

LEADERSHIP, MENTORSHIP, AND SERVICES TO THE FIELD

Ambassador, APA Campus Ambassador Program (CAP)Fall 2024- Present

- Mentee, APA Disability Mentorship Program.....March 2024 - Present
- Mentor: Jennifer Caspari, PhD
- Student Representative UCF Clinical Psychology PhD Program.....July 2022 - Present
- Act as a liaison between students and faculty members to address the concerns from the students
 - Provide significant program information to students in a timely manner
- In vivo* student supervisee.....June 2022 - Present
American Board of Professional Psychology (ABPP), Clinical Psychology
- Volunteered for ABPP exams to assist with the supervision portion of the examination
- Mentor, Psi Docs Mentorship Program.....August 2020- August 2023
- Mentored first-year graduate students to facilitate their success in their new graduate program at UCF
- Graduate Mentor, First-year Learning Environment and Academic Research Network.....January 2022- May 2022
- Mentored two first-time-in-college students from underrepresented backgrounds on research, college life, and the field of psychology. Taught students the scientific method and academic writing, and they were successfully published (see Leary et al., 2024)
- Mentor, Founding Member Undergraduate Mentorship Committee.....July 2020- August 2022
- Formed committee of clinical psychology PhD students to mentor underrepresented minority undergraduate students as a method to fix the “leaky pipeline”
- Treasurer, Psi Docs.....July 2020- July 2021
- Psi Docs is UCF’s Clinical Psychology PhD Student’s Registered Student Organization. Role included obtaining funds to attend (virtual due to COVID-19) conferences, planning social activities, and advocating for student’s well-being in the program
- Member, Diversity Committee.....July 2020 - May 2021
- Facilitate conversations regarding diversity, equality, and equity as well as develop presentation on APA’s Multicultural Guidelines
- Mentor, Multiple Sclerosis Foundation.....July 2019- October 2019
- Mentored young adults going to college with multiple sclerosis in an online platform (Facebook) to support success to this population by encouraging becoming involved in research and clubs at their universities, acclimate to university life, and being an empathetic listener to problems that occur within this population
- Treasurer, Psi Chi International Honor Society in Psychology.....April 2018- May 2019
- Ensure membership and proper allocation of funds for the organization by overseeing over \$6000 dollars in Psi Chi account and properly distribute funds to events, membership dues, and promotional items; committed to have university chapter interact with the international organization by affirming funds for conference traveling, such as SEPA
- Events Coordinator, Psi Chi International Honor Society in Psychology.....April 2017- April 2018
- Promote excellence in the study and application of the psychological sciences by being responsible for attaining guest speakers for chapter meetings, holding weekly office hour available for discussion of the

field of psychology, and developing, and executing, a plan to have members attend FURC (Florida Undergraduate Research Conference) with funds provided by UCF's Psi Chi chapter

Founding Member; Vice President, Access at UCF.....January 2016- May 2019

- Responsible for communication among members, outreach of organization, and facilitating discussions about disabilities, accessibility, employment, and social change; increased membership 100% over the past four years with involvement in the club

Peer Educator, UCF Counseling and Psychological Services.....September 2016- August 2018

- Reduce the social stigma of seeking mental health services through outreaching UCF students and facilitating presentations and activities

PREVIOUS RESEARCH EXPERIENCES

Laboratory Manager, REALE-Time Lab.....May 2018- August 2019

Advisor: Dr. Robert Dvorak

- Oversee laboratory functions, supervise research assistants and increase RA engagement in the laboratory, assist in data cleaning/analysis, and collaborate on study development (such as writing IRB proposals, creating surveys on Qualtrics)
- Current studies include ecological momentary assessments in the realm of alcohol use and eating disorders, alcohol expectancies, and counter-factual thinking as an alcohol use intervention

Undergraduate Research Assistant REALE-Time Lab.....August 2016- May 2018

Advisor: Dr. Robert Dvorak

- Assisted participants in a 6-week study on tobacco cessation using a behavioral intervention. Ensured payment and accountability of funds; Trained in SCID-5 delivery (for Suicidal Ideation, Psychosis, and Eating Disorders). Attended weekly lab meetings to enhance skills and knowledge in advanced statistical methods, current research in the fields of eating disorders, substance use and abuse, and personality (Cluster B) disorders, and debriefs on current lab activities

Curriculum Development and Assessment Taskforce.....January 2017-May 2017

Department of Housing and Resident Life, University of Central Florida

- Facilitated focus groups and recorded qualitative data to develop a generalized overview of opinions towards a recent departmental implementation of a residential curriculum. Acted as a consultant for advice and direction in the creation of a future residential curriculum to improve residents' living environment and experiences

PREVIOUS PROFESSIONAL EXPERIENCES

Resource Facilitator Inclusive Education Services, University of Central Florida.....August 2018 – May 2019

- Served as a mentor to students with intellectual disabilities who are learning independence and job skills as non-degree seekers at University of Central Florida. Facilitated student success in academics, as well as campus involvement. Provided students with interpersonal, social, and career guidance and goal setting through weekly one-on-ones, tutoring sessions, and events.

Resident Assistant, Department of Housing & Residence Life, University of Central Florida..May 2016 - May 2018

- Encouraged personal development of over 100 first time in college residents in a hall by facilitating discussions and programs about self-awareness, community engagement, cultural competency, and global impact, while serving as a role model through monthly one-on-one meetings and hall events. Promoted a safe and comfortable living environment, enforce institutional policies, and maintain safety as essential personal during response to emergency and crisis situations, ensuring holistic well-being of over 1000 residents in the community

Peer Mentor, Global UCF.....January 2016- May 2016

- Assisted in LDR 2001 (Introduction to Leadership) class as an aid to the professor
- Planned and administered classroom activities, warm-ups, and discussions; hosted review sessions for examinations, also help international students build social and professional networks in the US.
